SDG 9.3.1 Number of university spin-offs

NCUE's spin-off startup, "A. nT Environmental Technology Co., Ltd.", obtained approval for company registration from the Central Taiwan Science Park Bureau on May 22, 2023. Pursuant to this establishment, the University entered into technology-for-equity agreements with the company on June 27, 2023, and November 29, 2024. The transactions comprised an aggregate of over 10 million shares, each with a par value of NT\$1, thereby representing the University's contribution of intellectual property in exchange for equity participation.

SDG 9.4.1 Research income from industry and commerce per academic staff

Research income from industry and commerce by subject area:

1. STEM: NTD\$ 254,289,926.
